GRADE POINT AVERAGE (GPA)

A GPA is calculated using a seven point scaling system. It is calculated for each course a student undertakes and does not include grades for units completed outside of the course, including units that are credited towards the course. Ungraded Pass (UP) results are not included in a GPA calculation.

FORMAL MARK

The mark out of 100 awarded to a student on the completion of a unit of study. Failure to attain a passing grade in a specific assessment item, e.g. examination, may result in an overall fail grade for a unit regardless of marks received in previous assessment items.

Recording of formal marks became compulsory for all units on 1 January 2013.

WEIGHTED AVERAGE MARK (WAM)

A Weighted Average Mark (WAM) is expressed as a number between 0 and 100 and calculated using formal marks, which gives an indicator of academic achievement within a course of study. WAMs are calculated for units of study undertaken after 1 January 2013.

MAJOR AREAS OF STUDY

A major is a sequence of related units in a single discipline or area of study. A major is comprised of between six to eight units. Majors completed by a student will be displayed on the statement at the completion of the course.

SECURITY FEATURES

This Academic Transcript is printed without alterations or erasures, on 110gsm paper.

The micro printing across the face of the Academic Transcript, which reads "UNIVERSITY OF CANBERRA" under magnification, will not be readable on a copy.

Additionally, a custom made gold foil, appears on each page.

PAPER PROFILE
