

Flag mask

by Paul Magee

The day I took my students to hear Question Time

A Minister, Peter Dutton, said
inhibited for inhabited
but of course he's not

in relation to Operation
Overarch and seventeen of the two
hundred islands

between
Australia and PNG that might
harbour
agents of the COVID disease—

that port that
report.

Obariginal.

Parliamental privilege

and keeping the them out of us.

And I have always believed in
protecting violence against protecting
against violence
against women,
Mister

Speaker,

Mister Speaker!
