AUSTRALIA

Dear Sir/Madam,

Subject: Letter of support for the variation to the ARC Discovery Project titled  
*"Strengthening Economic Resilience in Monsoon Asia"* (ARC DP150102285).

The Australian Research Council awarded Prof. Katherine Gibson a Discovery Grant for the Project (ARC ref no DP150102285) titled *"Strengthening Economic Resilience in Monsoon Asia"*, which is administered by Western Sydney University

Dr Ann Hill worked on the project at Western Sydney University as a postdoctoral fellow and has recently joined UC as an Assistant Professor. In this capacity she has been invited to join the research team for the project as a Chief Investigator.

This project aligns very closely with the University of Canberra's research strategy and Dr Hill is well placed to make an important contribution to the project; hence University of Canberra is pleased to confirm support for the following:

- The inclusion of the University of Canberra as a collaborating organisation
- The addition of Ann Hill as a Chief Investigator at .2 FTE.

Please do not hesitate to contact the Funded Research Manager, Research Services Office, via phone (02) 6201 2181 or email [research@canberra.edu.au](mailto:research@canberra.edu.au) should you require any further information.

Yours sincerely,

Dr Ksenia Sawczak  
Director  
Research Services Office
